

Pergo, LLC (“Pergo”) provides the following limited lifetime residential warranty to the original purchaser for as long as he or she owns the flooring:

(1) the laminate surface will not wear through; (2) the floor will not fade due to sun or electrical light; (3) the floor will not stain; (4) the floor will resist damage from moisture due to damp mopping and everyday spills when removed promptly; and (5) the joint will remain secure under normal use conditions. This limited warranty is subject to the conditions described in the “Conditions” section below and does not apply if used in any commercial setting.

The PERGO Limited Lifetime Residential Warranty is made subject to the following conditions:

- 1) The floor must be installed properly in accordance with Pergo installation instructions. The instructions should be obtained through a retailer or at 1-800-33-PERGO (1-800-337-3746) or www.pergo.com. Proper installation includes, but is not limited to, the following:
 - A moisture test is strongly recommended to determine if excessive moisture exists in the subfloor.
 - When installing over concrete, a calcium chloride moisture test is strongly recommended. Readings greater than 5 lbs/1,000 sq. ft./24 hours are unacceptable for installation. If a moisture meter is used, a reading greater than 4.5% is unacceptable.
 - A polyethylene film vapor barrier must not be used over wood subfloors. Moisture readings of wood subfloors must not exceed 14% throughout the entire installation.
 - Pergo typically does not require gluing. If glue is used, glue entire floor with glue that meets or exceeds PVAC dispersion with a viscosity of 8,000 +/- 1000 cpc spindle 6/20 at 20 degrees centigrade – density of 1.11 +/- 0.02 g/cm on a dry content of 48 +/- 1% (weight). Upon completion of glued installations, the floor must be allowed to set overnight for 12 hours before resuming normal usage of the room.
 - Foam underlayment must meet or exceed 2.0 lb polyethylene foam (1.9-2 lb density), CFC Free, 1.8mm to 2.1mm thickness.
 - When installing Pergo in special situation areas such as: terrazzo, pier and beam, radiant heating and to also learn how to properly acclimate your floor, please contact our consumer help line at 1-800-33-PERGO (1-800-337-3746) or log on to www.pergo.com to obtain important additional information.
- 2) The flooring must be used only indoors in a dry, climate-controlled area.
- 3) The flooring must be maintained in accordance with Pergo care and maintenance instructions.
- 4) Damage must not have occurred as a result of improper or inadequate maintenance or accidents, such as damage caused by scratching, impact or cutting. Damage resulting from the use of a jet mop, spray mop, or similar wet mop with the flooring is not covered by this limited warranty.
- 5) Surface wear must be readily visible (i.e. approximately 1 square inch). Gloss or sheen reduction is not surface wear and is not covered by these limited warranties.
- 6) These limited warranties do not apply to water damage, including but not limited to water damage caused by flooding, standing water (water that remains on floor longer than 30 minutes), leaking pipes, mechanical failures, appliance leaks or pet urine.
- 7) These limited warranties do not apply to damage caused by water or moisture in the subfloor or underneath the flooring, including but not limited to damage from subfloor hydrostatic pressure (water or moisture under the floor that is transmitted to the surface through exerted pressure) or other conditions that result in water or moisture being below the floor.
- 8) These limited warranties do not apply to flooring installed on a concrete subfloor unless a non-recycled (100% virgin resin) 6-mil. polyethylene film vapor barrier with a density of 0.92 lbs/cubic foot and a thickness tolerance of +/- 10% is installed over the concrete subfloor that emits a water vapor no greater than 5 lbs. per 1,000 sq.ft. within 24 hrs.
- 9) These limited warranties do not apply to moldings.
- 10) Installation of flooring that contains any manufacturing defect is not covered by these limited warranties.
