

**Products**

Shaw warrants the Shaw LVT floor products to be free from manufacturing defects for a specified length of time from the date of purchase as set forth below.

**Replacement/Repairs**

Shaw reserves the right to repair any floor and/or to use its own source to obtain an installer for replacement flooring. If Shaw repairs or replaces a floor as a result of a warranty claim, it is the customer’s responsibility to be clear, at their own expense, any items placed over the affected areas subsequent to the original installation. In the event that Shaw repairs a floor, this warranty shall remain in effect with respect to such floor.

**Coverage**

This warranty covers manufacturing defects, delaminating, loss of original pattern and color due to fading or wear, when the flooring is subject to normal residential use, provided the flooring covered by this warranty is installed and maintained according to the instructions included in the sold package. All StaTite floating product joints are warranted to be ‘Water Tight’.
